Index

Chapter 1: Introduction of The Project 1

1.1 Introduction 2

1.2 Abstract 3

1.3 Software Requirement Specification 4

1.4 Modules 5

Chapter 2: Brief Overview of The Technology 6

2.1 Objective of Project 7

2.2 Functionalities of Project 8

2.3 Identification of need 9

Chapter 3: Literature Review 11

3.1. Feasibility Study 12

3.2. Preliminary Product Description 14

3.3. Tools/Platform Requirement specification 16

Chapter 4: Design & Implementation… 17

4.1 Implementation Methodology 18

4.2 System Design 19

4.3 Cost Estimation 20

4.4 Hierarchical Diagram 21

4.5 ER Diagrams 22

4.6 Test cases 23

Chapter 5: Security & Software Specification Testing.....25

5.1 Security Testing 26

5.2 Software Specification Testing 29

5.3 Steps In Software Testing 31

Chapter 6: Project Screens & Code Sample..... 34

6.1 Website Screens 35

6.2 Code Sample 41

Chapter 7: Scope & Conclusion… 57

7.1 Scope 58

7.2 Conclusion 59

7.3 References 60
